

Perth On The Go

City Centre

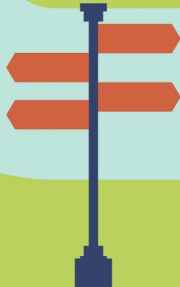

Sunday 6 August
11.00 am - 5.00 pm

Get a different view of the city centre as you travel around either the red or green route on your bike.

Bring the kids, grandparents even your four-legged friends for a day of cycling fun. Both routes have cycle-safe lanes with no traffic so you can cycle the city safely and as often as you like.

Find out about cycling and sustainable travel and try out our free activities across the city centre.
